

Clinic Name: Randolph Dental Clinic

Location: Second Floor - around the corner from the elevator.

Hours of Operation: Monday through Friday, 0700-1600

Phone number: (210) 652-1846

Fax number: (210) 652-1368

How to get After Hours Care:

After hours emergency dental care is handled through the Wilford Hall Emergency Department at Lackland AFB. Call (210) 292-7331.

Training Days (if applicable):

Closed from 1200-1600 on the last Wednesday of the month for readiness training.

Services provided:

- Preventive Dentistry (examinations , cleanings, mouth guards)
- Restorative Dentistry (fillings, crowns)
- Prosthodontics (dentures, bridges)
- Periodontics (treatment of gum disease, soft tissue grafting)
- Dental Implants
- Endodontics (root canals)
- Third molar (wisdom tooth) removal
- Orthodontics care is very limited; the Tri-Service Orthodontic Residency at Lackland will take on some comprehensive cases on active duty and family members, but this is limited and based on the needs of the residency.

Eligible Beneficiaries:

Our primary mission is to provide dental care to active duty personnel. Only active duty members will receive appointments. All other beneficiaries are space available.

How do I make an appointment?

Call 652-1846 for routine and sick call appointments. Please note that we would like to manage sick calls by appointment.

Additional info you want your patients to know?

We do have the ability to refer some of the more complex and or comprehensive cases to the specialty clinics at Lackland AFB. The only dental specialty assigned to the Randolph clinic is periodontics.

We respectfully request that children do not accompany you when you have a dental appointment. We do not have the ability to watch children while you are being treated.

Are there any special services that you provide (i.e. sick call, UTI clinic)?

We have an active mouth guard program. Please contact our clinic if you wish to have a mouth guard.

Are there any additional brochures or web links for your patients? No
